

## Vehicle Registration Application

Vehicle registration applications will be accepted beginning in January every year at The New Stockton 99 Speedway. There is no additional fee for registration of numbers. Deadline for an owner/driver to reclaim numbers ran in previous year, will be March 1st of current year. All numbers not yet claimed as of March 1st will become available on a first come first served basis. If you race multiple vehicles or divisions, you must submit a registration application for each vehicle. No numbers will be allowed to be used by multiple cars in that division. Priority will be given to the car/owner that raced the most times in the previous season.

You may only register a one or two digit vehicle number for all divisions with the exception of the Bombers Division. Three-digit vehicle numbers are required for the Bombers Division. (no duplicate numbers allowed)

Any vehicle using methanol will be required to have an A after their one or two digit number.

**You are required to complete a separate application for each division you are registering in order to secure your number for multiple divisions.**
